## VIBRATION ISOLATION WALL AND CEILING MOUNTS

From India's most innovative Cast PU manufacturer.  
Powered by Regufoam, BSW Germany.

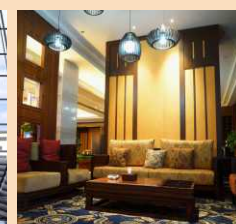

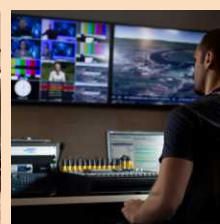

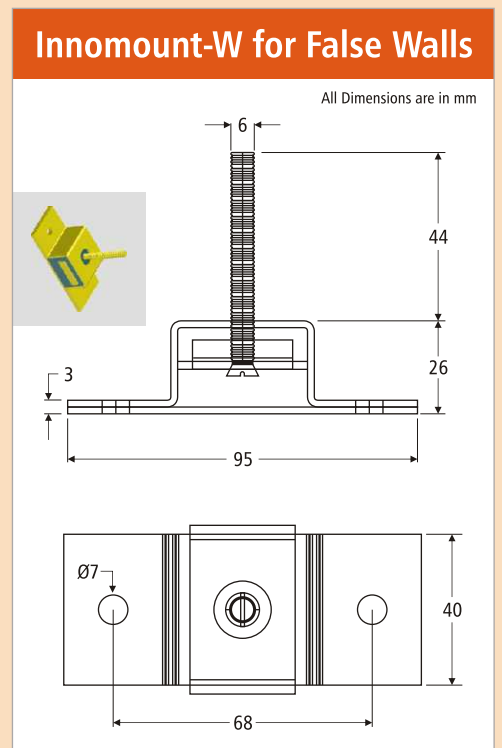

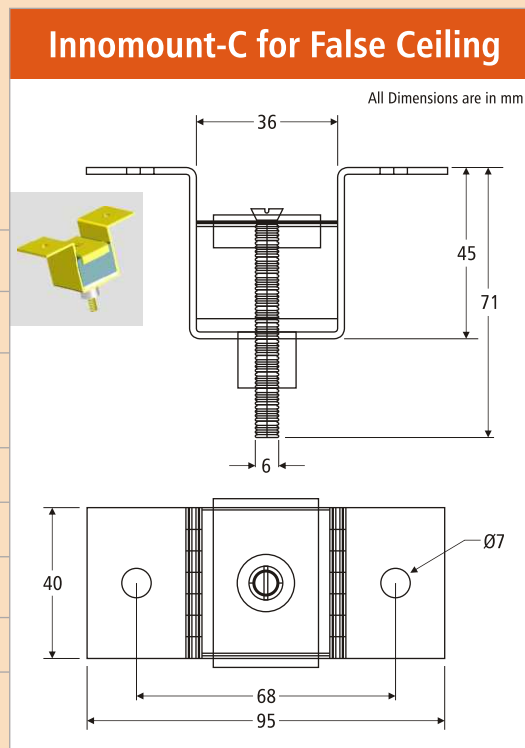

Speciality Innotech, formally CMV Div. of Speciality Urethanes Pvt. Ltd., is an established name in Cast Polyurethane business since last two decades. Our synergic partnership with BSW Germany for Vibration Isolation Solutions is now flourishing. Isolating the structure from vibrating object is a big hurdle in getting good acoustic insulation. Speciality realised this and has come up with a completely new product range 'Innomounts' using Regufoam fitted in non-rusting metallic structure specifically designed to isolate the vibrations in architectural acoustics applications.

It can also be used for isolating overhung ducts of HVAC Units in Building Management System. These mounts are available in two types :

'Innomount' plays a vital role in isolating the vibrations for following applications :

- Dance Floors
- Recording Studios
- Night Clubs
- Corporate Offices and Board Rooms
- Multimedia Rooms
- Auditoriums
- Airport Lounges
- Hotel Interiors
- High-end Residential and Commercial Interiors
